## BREMER LLOYD EXPANDS TO INDIA

*Chennai, India - Tuesday, July 23, 2024*

Bremer Lloyd is thrilled to announce the opening of its new office in Chennai, India. This step marks a significant milestone in the company's international expansion strategy, enhancing its presence in one of the world's largest and fastest-growing markets.

“We are delighted to officially announce the opening of our new office in Chennai, which will become an important hub for our operations in the region,” said Jakob Halm, Managing Director of Bremer Lloyd. “India offers unique opportunities for growth and development, and we are confident that our new office will help us to strengthen our service portfolio for our local and global clients. In the mid-term, we expect our Indian colleagues to play a crucial role in executing our recently initiated digital strategy.”

Madhan Mohan, Managing Director of Bremer Lloyd India, adds: “India's project logistics sector is rapidly growing due to new infrastructure projects and increased industrial activity. Furthermore, we are observing a trend of more OEMs focusing on Indian suppliers as part of their BCCS (Best Cost Country Sourcing) strategy. As a result, we anticipate increased local and global demand. We are pleased to see orders already coming in from our network.”

Bremer Lloyd's new office in Chennai underscores the company's commitment to expanding its global reach and providing enhanced service to its clients. The Chennai office is set to become a pivotal location in Bremer Lloyd's operations, supporting both regional and international growth objectives.
